SIR,

Referring to G.O.No.1322-5/Muz.368-26-17 dated the 9th February 1928 accepting the endowment of Mr. Gundlu Pandit Lakshmanachar for the construction of the Ayurvedic College in Mysore, I have the honour to state that the site selected for the construction of the College is Trust land at the junction of Sayaji Rao and Railway Station roads. But the land belonging to the Trust Board that is available for the purpose is considered to be not sufficient and the Executive Engineer, Special Division, states that 7 properties in the locality have to be acquired to provide sufficient space for the construction of the building. These 7 properties have been valued and their acquisition will cost Government between Rs.3,500/- and Rs.4,000/-. They are all properties notified for acquisition under the Land Acquisition Regulation as being required for improvement purposes by the Trust Board. But for want of funds their acquisition has been deferred for the present. As it is understood that the construction of the Ayurvedic College ~~would~~ could be taken up only after these properties are acquired, I shall take action for their acquisition in case a sum of Rs.4,000/- is placed at my disposal for payment to the parties concerned.

I have the honour to be,
